

THANK YOU
FOR ALL YOUR
SUPPORT

BUY A BRICK
CAMPAIGN

Names are sandblasted into vintage bricks and then highlighted with black dye to make the letters easy to read. Personalized bricks are laid within one of the fourteen sections already in place surrounding the north and west sides of the Little White Schoolhouse.

If you have a brick placement request, (i.e. next to another family member or friend) please let us know.

For \$50 we will engrave a standard size brick with the name or message of your choice up to 3 lines. You can upgrade to a granite paver for \$65. Bricks and pavers will not accommodate more than 3 lines.

Complete the order form and return it with cash or check payable to the *Caney Valley Historical Society*. Mail or bring this form to the

Caney Valley Historical Museum
310 W. 4th
Caney, Kansas 67333

Please print the information as you want it to appear. Don't worry about centering. Just fill in the lines from left to right, leaving a blank for spaces between words or dates.
